Draft Date: October 5, 2020

Process Overview

SSI Phase III: Site Advancement to Market

I. **Candidate Site Nomination**
II. **Landowner Engagement**
III. **Development Positioning**
IV. **Marketing Resource Production**

Primary Action Items with Implementation Recommendations

I. Candidate Site Nomination

1. Review SSI Site Ranked 4+
2. Confirm Infrastructure
3. Complete SSI Phase I Site Readiness Questionnaire
4. Apply Industry Targets
5. Review Existing Sites
6. Nominate SSI Sites for Advancement

II. Landowner Engagement

1. Conduct Anonymous Property Research/Cursory Title Review
2. Develop Linear Communication Strategy
3. Initiate Landowner Contact
4. Conduct Limited Property Appraisal
5. Conduct Site Visit
6. Obtain Letter of Intent
7. Conduct Title Research
8. Negotiate Land Price
9. Secure Real Estate Purchase Option Agreement/Due Diligence Period
10. Enter Site in [STATE] Sites & Buildings Database

III. Development Positioning

1. Determine Real Estate Entitlements/Master Plan/LDC Requirements
2. Secure ROW Agreements
3. Develop Conceptual Site Plans
4. Conduct SSI Phase II: Preliminary Due Diligence
5. Begin Re-zoning/Entitlement and Land Use Amendment Process (as applicable)

IV. Marketing Resource Production

1. Develop Marketing Strategy
2. Create Site Profiles
3. Create Site and Host Community Promotional Materials
4. Begin Social Media Campaign
5. Establish Direct Contact with Site Selection Consultants
